## APPLICANT'S STATEMENT and CONDITIONS OF EMPLOYMENT

(Please read carefully before signing.)

*"I understand that an investigative consumer report involving information concerning my character, employment history, general reputation, police record, personal habits, mode of living, credit and indebtedness may be obtained prior to any final offer of employment. Upon timely written request to the personnel department of the Company, the nature and scope of the report will be disclosed to me."*

*"I certify that the answers given by me in this employment application are true, correct and complete. I agree that the Company shall not be liable, in any respect, if my employment is terminated because of misstatements or pertinent omissions made by me in this application. Moreover, I understand that all offers are conditional, subject to passing additional testing that may be required by the Company from time to time (such as physical examination and drug screen)."*

*"As a condition of my employment (should I be employed by the Company), I agree to submit to a medical examination, urinalysis, and other tests that may be requested by the Company from time to time (If requested to take such tests, they will be paid for by the Company). I further agree to the search or examination of myself or personal property while on the Company's premises or while conducting its business elsewhere. I also authorize school, police or security personnel, or other persons reasonably acting on behalf of the Company, to give any information regarding my employment, habits, ability, or any other characteristics whatsoever, together with any information they may have regarding me, whether or not it is in the Company's records. I hereby release all physicians, examiners, companies, schools, or other persons acting on behalf of the Company from liability for any damages whatsoever, for such testing, examining, or issuing this information. It is agreed and understood that completion of this application does not mean a job opening exists, and in no way obligates the company to employ me."*

*In the event of employment, I will comply with all Company rules and regulations as established from time to time, including the Company's substance abuse policy. I am willing to work all assigned overtime or other special work assignments as requested by the Company. Furthermore, since the Company does not offer contracts of employment, I understand that nothing contained herein is intended to create a contract between the Company and me for either employment or the provision of any compensation or benefits. I understand that I have the right to terminate my employment at any time and likewise, the Company has the same right."*

*"I hereby understand and acknowledge that any employment relationship with this Company is of an "At-Will" nature, which means that the Employee may resign at any time and the Employer may discharge the Employee at any time, with or without notice, with or without cause. It is further understood that this "At-Will" employment relationship may not be changed by any written document or by verbal agreement unless such change is specifically acknowledged in writing by an authorized Executive of this Company. I also understand that Brewer's Pizza, Inc. retains the right to amend, modify, add or delete any or all policies or procedures at its sole and absolute discretion."*

*During my employment with Brewer's Pizza, Inc. and for two (2) years after my employment ends, I agree not to disclose any confidential or proprietary information regarding operating and trade secrets. I further agree that with respect to any civil litigation involving Brewer's Pizza, Inc. in which I am a potential witness and which does not involve an actual or potential claim by me personally, I will not discuss the facts of the case with any third parties without first notifying Brewer's Pizza, Inc. or unless a representative or attorney of Brewer's Pizza Inc, Inc. is present. A copy of this form may be used as the original. The use of results from this form and/or tests will be used for prudent employment decisions."*
